For my classroom/ office/ work area

Cute decor in neutral/natural colors, (hardy/faux) plants in plastic pots

For me

I collect Harry Potter stuff; I have a cupboard under my stairs! I like new and unusual board games and card games. I read on Nook (Barnes and Noble) and Kindle (Amazon). I'm addicted to lip balm.

One more thing**Additional ideas not included above**

I'm always happy to receive any gift, but I don't like the color orange (lol)! I love cards and notes from my student's families and drawings from my students.
